

# LIP LIGHT

*The Lip Light* is the perfect hardscape light. Clean, crisp design is paired with the easy installation and reliable performance that Coastal Source is known for. The Lip Light comes with a patented brass Coastal Mini Connector™ ready to attach our flexible LipZip™ cable- available in 15", 30" & 5' lengths. The integrated CREE LED module is replaceable and available in 1W or 2W (2700K or 3000K). The entire fixture is constructed of 100% brass with a removable mounting bracket increasing its uses for small, hard to light spots such as under railings or up lighting rafters. The Lip Light is the perfect way to gracefully light your step treads and risers, retaining and seat walls, and accent columns.
